Here is all you need to do to make this dream wedding a reality:

1. Say YES to the most romantic wedding day
2. Book the Lincolnshire Registrar or a church (sorry, we can't do this for you)
3. Invite 68 of your friends and family for the day and an additional 20 for the evening

You may add or subtract guests, upgrade your flowers to include the bridal party flowers, opt for chair sashes or venue styling in the ceremony room or Orangery (although the rooms will look beautiful even without them), hire a harpist or pianist for the ceremony, book a dance floor from our DJ. If you need a wedding dress, we know a great little shop for you.

We are here to help, just ask us if you have any questions or want to make this special weekend yours.
