

## STUBTON HALL

### Bespoke Wedding Packages

Every wedding at Stubton Hall is on an exclusive hire basis and tailored to exactly what you want, not what we tell you that you should want. We will sit down with you to plan the details of your event, but the following recommendations will give you some idea of what to expect to pay for a bespoke reception and elegant meal at Stubton Hall. Each of these packages is based on a minimum of 75 guests and includes VAT at 20%. You are not required to stick within a single package, but if you pick and choose from more than one, the price will naturally change. In addition to this per person price, you will need to pay a venue fee and guarantee to take a minimum number of bedrooms.
