

STUBTON HALL

Bespoke Wedding Packages 2020

Every wedding at Stubton Hall is on an exclusive hire basis and tailored to exactly what you want, not what we say you should want. We will sit down with you to plan the details of your event, but the following recommendations will give you some idea of what to expect to pay for a bespoke reception and elegant meal at Stubton Hall. Each package is based on a minimum of 75 guests and includes VAT at 20%. On certain dates you may have fewer than 75 guests, but the price per person may be slightly more expensive. You are not required to stick within a single package, but if you pick and choose from more than one, the price will naturally change. In addition to this per person price, you will need to pay a venue fee and guarantee to take a minimum number of bedrooms.

Minimum Guest Numbers

From May through September our minimum guest numbers for Saturday weddings is 80 guests while for Friday weddings in the same period the minimum is 75 guests. In April and October on Fridays and Saturdays, the minimum is 75 guests. All Saturdays in December and any date from the 18th through the 23rd December require a minimum of 80 guests. On all other days of the week our minimum number is 2 adult guests (yes, we've done a wedding for only two people and it was loads of fun!). At any time, you may have fewer than the stated minimum guests, but reduced numbers will increase the price per head. There is no minimum imposed on evening guests.

Minimum Bedroom Numbers

May to September - a minimum of 20 of our luxurious bedrooms

April, October & December - a minimum of 18 bedrooms

November to March - a minimum of 15 bedrooms in main house only

... and at any time of the year, if you fill all 25 of our bedrooms, we will give you a discounted rate on the bridal suite.

Bedroom prices are updated annually.
