

STUBTON HALL

WINE LIST 2016

We put together this wine list for our weddings and celebrations with the same principles we used throughout Stubton Hall and hope that you will find these choices to be quality wines with a bit of class and not too big a price tag. The list is purposefully short. We included a range of grapes, regions and countries to please a variety of palates. We would be delighted to source any wines not on our list, but we do not permit you from to bring your own wines. Should you want to have a particular wine, just ask!
