

STUBTON HALL

TWILIGHT COCKTAIL WEDDING WINTER 2026-2027

Why not take advantage of the dark winter evenings as the backdrop for a reasonably priced, chic twilight wedding? Black tie weddings are increasingly trendy, and Stubton Hall's timeless elegance is perfectly suited to a small and sophisticated affair. But this is a wedding with an added twist! We've created a package for 70 guests with all the fun of a glamorous cocktail party, but none of the fuss of a traditional meal.

- A flute of sparkling Prosecco by the fire in our grand entrance hall to welcome your guests.
- 4pm twilight ceremony in our stunning Music Room.
- After the ceremony, let the cocktails begin! (2 per person)
- Delicious nibbles chosen from our Evening Food Menu will be passed amongst your guests (from £20)
- Sparklers to light up your wedding photos

This wedding was envisioned to take place in the main house only, but it would be easy to progress to the Orangery with increased guest numbers, more substantial dining options, and a large dance floor with DJ or band. Please ask us for details and additional costs. We can also calculate the cost of this wedding with different guest numbers.

Twilight Cocktail Wedding at £9,800 for 70 guests

This package is available from November 2026 through March 2027, Sundays through Fridays only.
